Subject: COVID19 precautions for Trip Jam Music Festival

Hi Nathan,

Trip Jam Music Festival is hosting the first music event in the United States since the COVID-19 outbreak. We plan on taking serious precautions to COVID-19 on the upcoming event that will be held at 123, Wild Leaf Street Phoenix, AZ 35952 on July 8, 2021. The organization is making it our priority to make this the cleanest and safest festival we have ever had.

The Music festival is using COVID-19 guidelines such as making people report any symptoms to the T.J (Trip Jam) Music App days before weeks before entering festival grounds. We also have strict policy on social distancing by keeping groups to 6 people or less. These are just some of the social distancing measure we are using to help make this event safe and fun for everyone. For more information or questions, please feel free to contact me by phone or email anytime.

Thank you,

Anna Snead

Public Relations Representative
